## FEDERAL OPPORTUNITIES

### **Healthy People 2010 Community Implementation Program.**

*The Department of Health and Human Services* announces funds to study the efficacy of micro-finance to support Healthy People 2010 implementation activities. The goal of this program is to support one or more two-year pilot projects that will each sub-grant smaller amounts of money to a wide variety of local, community-based organizations to assist them in conducting health-related activities. Nonprofit organizations with a history of addressing health and human services or public health issues are eligible. The deadline is August 15, 2001. Approximately \$700,000 is available for the first year. For more information, contact Sally Jones at (202) 260-7654. For a copy of Healthy People 2010 visit <http://www.health.gov/healthypeople>.

### **Epidemiologic HIV/AIDS Research in African-American and Hispanic Men who Have Sex With Men.**

*The Centers for Disease Control* announces funds to support research on the socio-cultural, structural, psychological, and behavioral factors that promote HIV infection in African-American and Hispanic men who have sex with men. Eligible applicants include nonprofit organizations, universities, colleges, research institutions, hospital, and State and local governments. The deadline is August 30, 2001. Approximately \$800,000 is available to fund up to four awards, averaging \$200,000. For further information contact Ann Cole at (770) 488-2731 or [jle1@cdc.gov](mailto:jle1@cdc.gov). Also see <http://www.cdc.gov/od/pgo/funding/grantmain.htm>.

**HIV Prevention Intervention Research Studies--Prevention for HIV-Positive Persons.** *The Centers for Disease Control* announces funds to generate

effective prevention service models designed for HIV-infected person, to be delivered at HIV care settings. Eligible applicants include nonprofit organizations, governments and their agencies, universities, colleges, research institutions, and hospitals. The deadline is August 27, 2001. Approximately \$750,000 is available to fund 3 to 5 awards. The expected average will be \$250,000 ranging from \$150,000 to \$350,000. For further information contact James Masone at (770) 488-2736 or [zft2@cdc.gov](mailto:zft2@cdc.gov). Also see <http://www.cdc.gov/od/pgo/funding/grantmain.htm>.

## FOUNDATION OPPORTUNITIES

**The Eric Fund for Disabilities.** *The Eric C. Savader Memorial Disabilities Fund* announces funds for individuals in the DC Metropolitan area to help provide assistive technology, devices and equipment that lead to greater independence and community involvement. Approximately \$10,000 is available total. Last year, five grants were awarded. The deadline is now August 23, 2001, and interested applicants should contact the fund as soon as possible. For information, contact Ryan Costello at [costelloryan@hotmail.com](mailto:costelloryan@hotmail.com) or (202) 955-3030.
